MEMBERS' REPRESENTATIONS

***Sri J. MOHAMED IMAM** (Jagalur).—Sir, before proceeding to the next item of business I have got a suggestion to make. We have hardly a week before the inauguration of the New State. For that inauguration, all the Legislators must be invited as guests. But, we do not know the activities or the arrangements that the Government are proposing to make in this behalf. We do not know whether they would treat this as a mere formal function and purely a concern of the Government or whether they have formed any committee to suggest the arrangements to be made on this historic and unique occasion. All of us are anxious to co-operate in this function. I would request the Chief Minister to take us into confidence and tell us about the arrangements that they have made in this behalf.

Secondly, yesterday the Hon'ble Minister for Finance was pleased to make a very drastic remark which has really wounded all the members on this
